In support of the efforts of the EMRST, which aims to protect the indigenous fauna and flora of the region, Ai Aiba Lodge has implemented a Levy, which will go towards the Sanctuary gate security and anti-poaching measures in this Conservation Area. In addition, we focus on sustainability and giving back, placing community and conservation at the core of our priority, to uplift, to restore and to have significant influence on the Namibian people and the environment around us and these funds are also put towards these causes. Guests contribute these levies as part of their stay at Ai Aiba Lodge. The CESW Levy includes VAT.
